

LAMINATE CLEANER

PRODUCT DESCRIPTION

- Quick and easy way to clean laminate and hardwood flooring.
- No waxy residue, leaves a streak free finish with a fresh scent.
- Perfect for around the home.
- Suitable for all wood, plastic, vinyl and laminate flooring.

APPLICATION

Always test a small area before proceeding to ensure finished result is acceptable.

- Shake well before use.
- For light soiling: dilute 120ml of product to 5L of water.
- For heavy soiling: dilute 180ml of product to 5L of water. Mop or wipe over the surface, ensure the floor is not over-saturated. For maximum performance leave the product to work for 5 minutes. Lightly agitate with a soft brush, mop or cloth. Rinse clean with warm water and polish any remaining water off until the floor is dry.
- **When cleaning thoroughly wring the mop or cloth to avoid over watering. Always dry wood and laminate floors.**
- For use as a spot cleaner: apply to the problem area using a trigger spray. Leave to work for 5 minutes. Wipe over the surface and polish until dry.

RECOMMENDATIONS

- Wear protective gloves and appropriate clothing whilst using the product.
- NOT RECOMMENDED FOR ANTIQUE, UNSEALED, VENEERED, WAXED, PAINTED OR POLISHED WOODS.
- Keep out of reach of children.
- Keep in a dry place between 5°C and 30°C in the original container.

PRECAUTIONS FOR USE

For Health & Safety instructions, first aid measures, spillages and disposal instructions, see separate Health & Safety Data Sheet (MSDS)

Important: The content of this documentation is based on our experience of the product. PROTECTiT SP guarantees the quality of its products, but expressly declines any liability in the event of failure by the user to comply with the recommendations and conditions of use of said products, notably but not exclusively in the event of incorrect application, application by unqualified personnel, use of products not compatible with PROTECTiT SP products or bad weather conditions.
